1. Purpose of this policy

The Uniform Policy is based on the belief that a school uniform:

- Promotes a sense of pride in the school.
- Engenders a feeling of belonging.
- Is practical and distinctive.
- Identifies students within the school.
- Makes students feel equal in terms of appearance.
- Reflects the sense of community that the school takes pride in.
- Is in keeping with a purposeful learning ethos.
- Should be appropriate for the season of year (a winter and summer uniform are in place).

General requirements

Uniform requirements should be always followed, including break and lunchtime (unless there is an active game on the pitches or the tennis courts). The requirements are as follows:

Extra notes:

All items of clothing should be clearly labelled with your child's name.

Coats: In the winter, please send your child to school with a warm coat, every day. The weather can change quickly.

Students should wear PE kits to school on PE days, there is no need to bring school clothes on these days. Please look at the timetable to know what days children have PE.

4. Students in Years 12 and 13

For day-to-day, students can wear their own clothes. We ask that students dress for a professional learning environment.

Students in Year 12 and 13 set an example to the younger students in school, so we ask that students consider this. Clothes should be comfortable and appropriate for a learning and working environment.

Students should wear clothes that they would be happy to wear in a workplace, rather than dressing for the beach or a night out. Please make choices that are respectful of the school environment and our guiding statements, including the Shaper Profile.
